June 2015

Dear Parents,

BACK TO

I would like to take the opportunity to welcome you to the third grade. I am sure that by working together, we will help your child to be successful in the third grade. Having the proper tools for learning is the first step towards this goal. Attached you will find a list of <u>all</u> the supplies your child will need. If you ordered items through the PTA, you only need to purchase the starred items. Please make sure each item is labeled with your child's name. I would appreciate it if your child could bring in all the supplies on Wednesday, September 9<sup>th</sup>, 2015. I look forward to meeting and working with you soon.
