Greetings Fourth Graders,

Welcome to the room 20 family! I am so excited to have the opportunity to learn with you this year and can't wait to meet you on the first day of school. It is my second year teaching 4<sup>th</sup> grade at Pasadena and I consider myself the luckiest teacher on the planet. We will have a year filled with learning and laughs. We will read like detectives and write like investigative reporters. We will work on becoming fluent mathematicians, scientists, and study history to help us learn and grow.

Please work on your multiplication facts and be ready to read and write more than you ever have! This is going to be an incredible learning journey! Enjoy the rest of your summer! I look forward to seeing your smiling faces on September 9, 2015.

Proud Teacher,

Mrs. DeRosa
