

# AP ITALIAN SUMMER ASSIGNMENT

## I Giornale di attualità

Your summer assignment is to pick **ONE** Italian region to follow all summer. You will keep a journal on cultural happenings/current events. You should use the Italian news site(s) (provided on the back of the sheet) to get authentic resources. The best idea is to keep up with this all summer and not save it for the end of the break. In your journal you should have each entry on a new page.

**DUE DATE: SEPTEMBER 6, 2024**

**Each page should have:**

- A summary of what is happening/happened.
- And lastly compare this tidbit of information with that of your own community.
- A visual aspect (drawing/clipart/printed picture).
- **You should have a total of 3 entries (1 per month, one event in June, one in July, one in August)**
- This should be completed in ITALIAN.
- You can organize your work on a Google Doc or a Google slide.
