

MAP QUEST

POBMS UPSTANDER COLUMN

Do you have any upstanders in MAP ??

Do you have an upstander in your class, if so, please send me the story or send me the MAPper and we will write the story together. Let's share all the good we do every day.

Leadership MAP Pet Drive will go through to the end of January. Please contribute dog and cat food. All donations go to Last Hope, a pet rescue agency based in Wantagh that helps homeless animals and exists purely on donations. Please help.

MAP Activity Suggestions:
Now that winter has set in there are many games to play to help students connect. Invite your leaders in to do an activity with your group. They would love to help you with your door or video. Quite a creative bunch!

Just a gentle reminder: MAP is a family space where students get to know each other. They see each other every day across grades and peer groups. Getting visitors can be a special treat providing both advisors agree. Please check with the advisor your MAPper wants to visit before sending a student as they may be involved in an activity just for them.
Thanks in advance for your cooperation. Remember to provide passes.

Extended MAP is Friday, January 22th, look for information about our first "Dancing with your Teacher" event. The event is voluntary and will take place in the auditorium after Period 2.

Preparing for Spirit Week:

This year we decided to incorporate many of our new building initiatives under the theme of Yes We Can _____.

We filled in some yes we can statements this morning during our leadership meeting. Some are:

- Be a good digital citizen
- Have a growth mindset
- Bring positivity to others
- Celebrate our strengths (to help overcome weaknesses)
- Choose to make a difference
- Stand Up For What's Right
- Be a Bestie, Not a Bully
- Try Our Hardest, Be the Best You Can Be.

Or complete the sentence with your group to create a truly original door, or video showcasing the uniqueness of your group.

To begin, each MAP group should create a slogan, or choose one from above. The leadership suggestions are some thoughts for you. Start by asking, What does YES WE CAN mean to you?
