January 15, 2014

Dear Parents of 5th, 6th and 7th Grade Students:

As part of our on-going efforts to transition students and their families smoothly from one grade to the next at Mattlin Middle School, we host annual transition meetings specific to your child’s grade level.

At these meetings, we discuss the academic programs for the upcoming year and some of the changes you can expect socially and emotionally in each grade level. This is an excellent opportunity for parents to have questions answered about the different academic offerings at Mattlin.

The dates for these meetings are as follows:

- Wednesday, January 22, 2014  Incoming Grade 8 Parent Meeting
- Tuesday, March 11, 2014      Incoming Grade 7 Parent Meeting
- Thursday, March 13, 2014     Incoming Grade 6 Parent Meeting

These meetings will all be held in our school library and will begin at 7:00 pm. We look forward to seeing you there.

Sincerely,

Dean Mittleman
Principal
